To help us in ensuring the teams are evenly paired, please provide the following:
Average 18-Hole Score: _____

The Course

Golf Digest says: You'll find very nice people at this very affordable place to play with yearly rates that are some the best around for some in the Green Bay area. The Woods Golf Club formerly Woods Country Club was purchased by nine investors in June 2001, hence the name change. A major addition and restoration project was immediately put into process. The course offers a banquet facility, a sports pub and a golf shop.
