New application for assessors

MANAGE CONTACT INFORMATION

New application for Assessors in MyDORGov

- Update your contact information using the new Assessor Contact Information Form for:
 - Municipalities
 - Assessor certification
 - SLF Cornerstone (e-Learning) account
 - Remove access for any municipality you are no longer assessing
- Manage your municipalities – in your MyDORGov user profile:
 - Request access as the Assessment Staff Administrator for new municipalities you are assessing
 - Monitor and edit access for your assessment staff
 - » Eliminates need for WAMSID

MANAGE CONTACT INFORMATION

How it works

- Municipal clerks will grant access to the "office" of assessor when a new assessor is hired or contracted
- New assessor will request access as Assessment Staff Administrator
- Clerk will receive an email to grant/deny access using their MyDORGov account
- Once access is granted, assessor can file the Municipal Assessment Report and provide assessment data
- Assessor will also be listed as the assessor on the Wisconsin Municipal Assessors list

MANAGE CONTACT INFORMATION

Timeline and training

- In the upcoming week, DOR will provide:
 - Detailed step-by-step guidance on how to access and use the new form and process
 - Short instructional videos for quick answers to common issues
- DOR will host a live webinar on **March 10, 2026**, where we'll do a live walk-through of the new process and provide an opportunity to ask questions
 - Details will be emailed to assessor this week
- New application available March 16
